## 2. TYPES OF WATER USE

Please provide information for each type of water use on your property using the water sources listed on your water licence during 1 July 2016 – 30 June 2017 in the prescribed area, including use to date and planned use by the end of June.

See notes below the table for more detail on what information to provide. Please write 'nil' if your water use was nil.

Type of use	Size or scale	Water source(s)	Comments
<i>e.g. lucerne</i>	<i>e.g. 10 ha</i>	<i>e.g. bore</i>	<i>e.g. 4 cuts</i>

**Type of use:** list each different type of use – e.g. lucerne, wine grapes, breeding sows, winery etc.

**Size or scale:** the size or scale of type of use – e.g. crop area (in hectares), average number of pigs, tonnes of grapes crushed etc. Please note – 1 hectare is 2.47 acres.

**Water source(s):** Identify which licensed water source(s) was used for that purpose (e.g. bore, dam). If you have more than one source for a water resource (e.g. 2 or more bores), then if possible please identify which source (e.g. using source reference given in covering letter).

**Comments:** if possible or relevant, provide further information on the type and scale of water use – e.g. lucerne – number of cuts; pasture – starter, finisher or irrigated all season; vegetables – number of plantings; piggery – period of operation, etc.

## 3. FUTURE WATER USE

In the next 12 months, do you expect the size of your water-using enterprise to:

- Increase
  Decrease
  Stay the same
