## Worksheet 8: Organic Litter

School: \_\_\_\_\_ Date: \_\_\_\_\_

Class conducting the survey: \_\_\_\_\_ Start time: \_\_\_\_\_

Site name: \_\_\_\_\_ Site code: \_\_\_\_\_

### What to do

Step 1: Estimate the percentage of the study area covered by organic litter. \_\_\_\_\_  
(Organic litter includes things such as fallen leaves, twigs, bark, mulch and small branches less than 30cm in circumference)

Step 2: Does the quality of the organic litter vary across the site? \_\_\_\_\_

How?
