Natural Resources Management (NRM) Officers

Keith

Kym Haebich

P: (08) 8755 1623

M: 0408 811 392

E: kym.haebich@sa.gov.au

PO Box 138, 61 ANZAC Terrace, Keith 5267

I am based in Keith as Team Leader for the Upper South East, working with the NRM Officers across this district. I help to oversee and support the NRM Officer's district programs by providing technical advice for declared plant & animal projects, as well as land management & compliance activities within the district.

Tony Richman

P: (08) 8755 1620

M: 0418 893 165

E: tony.richman@sa.gov.au

I cover the top end of the Tatiara region. Always working with landowners to improve identification of weeds and control practices, my main focus on weed control is to stop spread and eradicate new or small infestations. I also undertake plenty of rabbit control during Summer and Autumn.

Jon Forrest

P: (08) 8755 1620

M: 0427 808 204

E: jon.forrest@sa.gov.au

I cover the hundreds of Archibald, Coombe, Richards, Kilpatrick, Livingston, Carcum (part of), Lewis and Coneybeer in the Coorong District Council. Priorities include preventing the incursion of new weeds, especially along major corridors such as the Dukes Hwy & railway line, control of Buffel Grass sites, inspection and control of all Golden Dodder sites and rabbit & fox control. I work with land managers as well as the other NRM Officers in the Upper South East.

Neville Staude

P: (08) 8755 1620

M: 0417 859 080

F: (08) 8752 2964

E: neville.staude@sa.gov.au

I'm based at Keith and cover the Hundreds of Cannawigara, Senior, Wirrega, Marcolla, Tatiara, Parsons, Beamma, Geegeela, Glenroy and Pendleton. Rabbit and fox baiting programs as well as summer weeds are the priority over the summer/autumn period.

Naracoorte/Lucindale

Paul Wordley

P: (08) 8760 1205

M: 0427 957 856

E: paul.wordley@sa.gov.au

PO Box 134, Naracoorte Caves, 89 Wonambi Road, Naracoorte SA 5271

I am based in Naracoorte. I cover the Hundreds of Lochaber, Hynam, Binnum, Spence, Woolumbbool, Naracoorte, Jessie, Robertson and Joanna. I focus on working with land holders to deal with pest animals and plants that pose threats to agriculture or the environment.

Lucindale/Robe

Michelle Sargent

P: (08) 8760 1205

M: 0419 807 946

E: michelle.sargent@sa.gov.au

PO Box 134, Naracoorte Caves, 89 Wonambi Road, Naracoorte SA 5271

I cover the Lucindale area which includes the Hundreds of Woolumbbool, Townsend, Joyce, Spence, Conmurra, Fox, Coles, Smith, Ross and Bray. My priorities are to work with landholders and provide advice on pest plant and animal control techniques, weed identification and fox and rabbit baiting, with a strong focus on encouraging local group action to manage pests.

Natural Resources Management (NRM) Officers

Mount Gambier

Office: PO Box 1046, 11 Helen St, Mount Gambier 5290
Depot: PO Box 724, 324 Commercial St West, Mount Gambier 5290

Deb Lang

P: (08) 8721 0421
M: 0400 188 094
F: (08) 8721 0410
E: deb.lang@sa.gov.au

I work in the northern part of the Grant District Council and City of Mount Gambier council areas. I work in the hundreds of Young, Mingbool, Benara, Blanche, Caroline and Gambier. Targets include: contain and prevent the spread of weeds that pose a risk to agriculture and environment or social values; support landholders using integrated pest management and encourage group action for pest control.

Andrew Shepherd

P: (08) 8721 0451
M: 0408 802 971
F: (08) 8721 0410
E: andrew.shepherd3@sa.gov.au

I am responsible for pest animal and plant control south of Mount Gambier and surrounding districts, including the hundreds of Kongorong, Macdonnell, and part of Benara and Caroline. I have a keen interest in biodiversity and enjoy being able to help the environment by controlling pests.

Penola

22 Young St, 27 Arthur St (mail), Penola 5277

Alan Robins

P: (08) 8737 3308
M: 0409 420 823
F: (08) 8737 3308
E: alan.robins@sa.gov.au

I am based at Penola and look after the Penola/Glencoe area. This includes the Hundreds of Killanoola, Comaum, Monbulla, Penola, Grey, Nangwarry and parts of Hindmarsh and Young. My main duties include reducing the spread of declared weeds by encouraging landholders to undertake weed control programs, offering technical advice and preventing new weed incursions from becoming established. I also assist landholders in controlling vertebrate pests such as foxes, rabbits and deer.

Millicent

PO Box 27, Battye St, Millicent 5280

Saxon Ellis

P: (08) 87303 510
M: 0428 854 611
F: (08) 8733 2066
E: saxon.ellis@sa.gov.au

I offer animal and plant control management advice for a variety of pest plants and animals across the Wattle Range local government area. Contact me for assistance regarding property/roadside inspections, fox/rabbit baiting, weed identification, bio controls and compliance issues in this area.

Kingston SE

PO Box 321, Kingston Council Depot, Adam Rd, Kingston 5275

Sid Frankling

P: (08) 8767 2077
M: 0427 808 206
E: sid.frankling@sa.gov.au

I cover the Coorong region through to Yumali/Coomandook which includes the Hundreds of Santo, Glyde, Field, Strawbridge, Jefferies, Colebatch, Messent with support from SAMDB along common boundaries. Top priority is to identify sleeper pests, control/eradicate isolated class one pest plants e.g. Khaki weed/Golden Dodder. I also map the spread of weeds/pests and support the spread and implementation of biological control with landowner support.

Roger Davidson

P: (08) 8767 2077
M: 0428 856 478
E: roger.davidson@sa.gov.au

I cover the Kingston Council district which takes in the Hundreds of Mount Benson, Waterhouse, Lacepede, Bowaka, Murrabinna, Minecrow, Duffield, Landseer, Peacock, Neville, Wells and parts of Petherick. Prioritising the control of priority area weeds, herbivore threats and new incursions to the USE District.
